

Material List
Shelly Eager Pastel Workshop
August 7 and 8, 2021

Please bring your normal pastel supplies:

Sanded paper, several sheets of varying sizes and shapes. I would prefer that it is not tinted, but if that is what you have no problem at all.

hard and soft pastels and vine charcoal

1" foam brush

Paint brush and alcohol if you plan to use these for your underpainting

Paper towels

A mat for under your easel

An easel, preferably a standing easel

Whatever tools you particularly like to work with

Several photo references that inspire you. Try to make sure that they have strong light and dark contrasts. Please print them on good quality paper. Also bring your cell phone if you have those photos in your picture library.

Drinks and a lunch. There is a small lunch place down the street that you will have to drive to if you forget your lunch. They have great sandwiches but it takes a fair amount of time out of your day.
